Riverside @ Winnebago Traffic Conflicts

- Riverside Church agrees about traffic flow issues. Recruited Davy to help engage the appropriate city staff, after a lack of response from Traffic Engineering.

Williamson @ Thornton, Livingston Crossings

- Livingston: Response from WI Council of the Blind, schools/principals, or PTGs?
- Thornton: support from business/schools to improve crossing
 - Davy also helping get traction for both of these items

SJC Updates

- Food pantry removed, Dane County Violence Prevention increasing presence around the neighborhood

McPike Park Bathroom Locks
